Cabbage-strophe Strikes

The cabbage man has lost his cabbages again! He needs the help of all four nations to find them before they rot, or worse, get eaten. Follow us on this journey to help him find his cabbages by completing challenges across the nations. He has promised a special prize for the most successful nation!

Earthquake

Oh no! While passing through the Earth Kingdom, an earthquake hit and part of the wall in Ba Sing Se collapsed onto the cabbage man's cart. We need to help rebuild the city as soon as possible!

Rebuilding Ba Sing Se

Instructions:

1. Pick 6 groups of 4 benders (24 total) from your nation to line up at the back of your aisle.
2. Touching ONLY the string, each group of 4 will use the rubber band contraption to pick up 1 cup from your stack in the back and place it on the table at the front of the room to build a tower.
3. Each group of 4 can only place 1 cup at a time, then get back in line.
4. Points will be based on speed for finishing each level.
5. Time limit: 7 minutes!

Level 2

Level 3

Onwards and Upwards

Phew, you made it out of the Earth Kingdom in one piece! Although there were no cabbages to be found, you can't give up yet. Next up, you see the Air Temples on the horizon and decide that riding air scooters are the fastest way to cabbage-hunt...

Aang's Air Scooter Adventure

Instructions:

1. Choose 20 benders from your nation to line up at the back of your assigned aisle.
2. One at a time, each bender will walk with a balloon between their legs to the chair at the front of the room and pop it by sitting on it.
3. If the balloon slips out from your legs before you've reached the chair, you must **start over** at the back of the aisle.
4. Once you've popped your balloon, head back to your team's aisle and tag the next person.
5. Points will be based on time left when each balloon was popped.
6. Time limit: 8 minutes!

PSA: noise warning!

Congratulations, SASEBenders!

Woah, the Air Temples are definitely not friendly terrain! Thankfully, your group escaped its wrath. Even better, you found the cabbage man's cabbages hidden in a shed to be sold on the black market!

Scandalous!

The cabbage man, reunited with his beloved vegetables, wants to express his gratitude...

Prizes

Congrats on finding all the cabbages!
The cabbage man would like to reward
our winners with:

CABBAGE and SQUISHIES!

Words of Wisdom

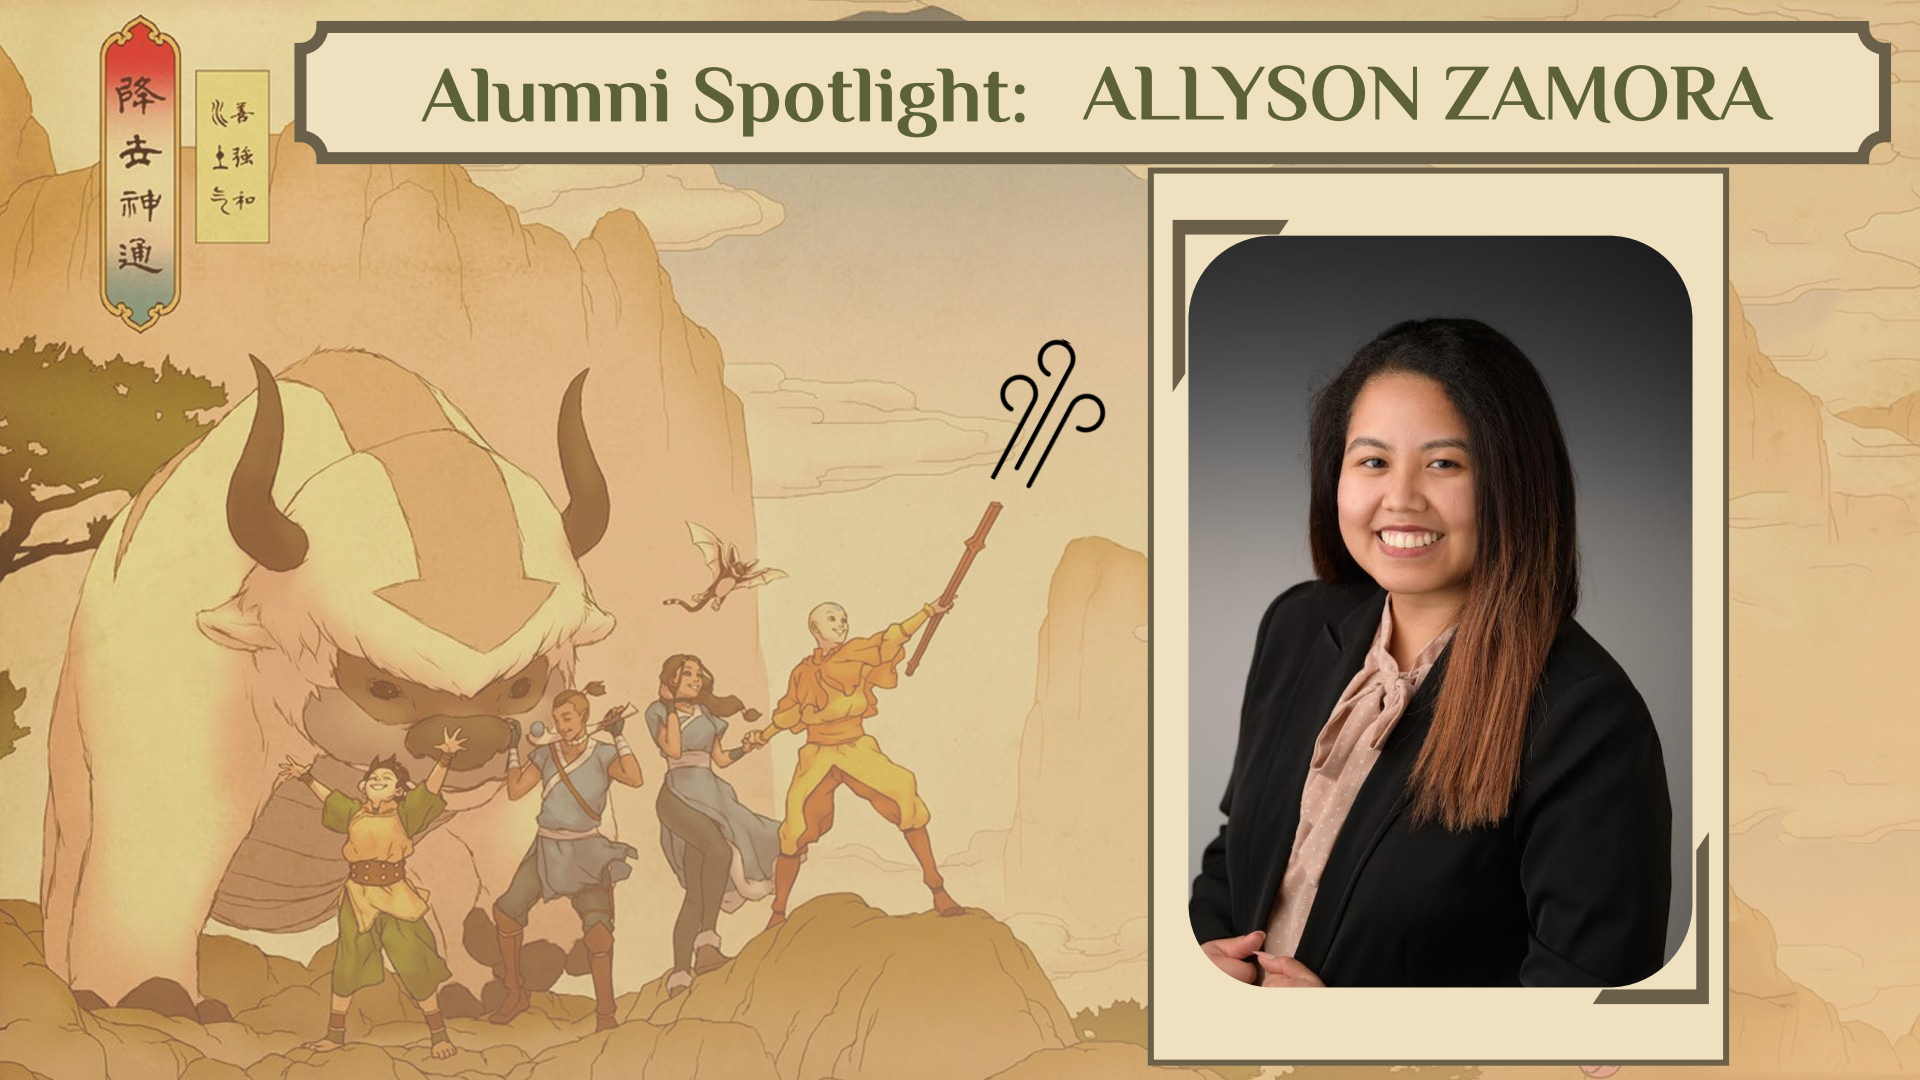

Just as you're about to head home, you bump into a wise and seasoned SASE-bender outside of a library, who has some words of advice for your group's future quests as she takes you inside...
